

2nd ANNUAL
NORTH TENNESSEE STATE FAIR
CARSHOW
June 14th, 2008

Welcome to the 2nd Annual North Tennessee State Fair Car Show 2008!

You Are The Judges!

No one knows and loves cars better than you, the participants, so you are the judges! This is all “Show and Shine” judging, therefore it is based on appeal, your appeal to what you like. So take your time, look them over, ask questions, and choose who you think is best in their classes.

How Voting Is Done

Each participant will be given a voting sheet at registration, along with a registration number for your vehicle (place this number on your dash or front window). When you are voting, you **MUST** put your vehicle registration number in the top right corner of your paper. You **MAY NOT** vote for a vehicle in your own class. If you vote in your own class your ballot will be disqualified. Place the number from the vehicle in the proper space for each category.

Voting Time: 10:00 am - 12:01 pm

We ask that you wait until all vehicles are registered before you start voting. All ballots must be turned in to the registration table by 12:01 pm. Awards will be given out at 1:00 pm

****Sound system contest will be held at 11:00 am****

Best of Show

Best of Show will be compiled of spectators choice and participants choice voting. In the event of a tie an outside party not affiliated with the Clarksville Jaycees, or any vehicle within the show, will make the decision of the winner.
